

FY2025 Scoring Sheet

Project Title:	Date of Review/Scoring Meeting:
Lead Agency:	Individuals Participating in Review and Scoring for HCCSC:
Agency Contact Person:	
Application Type: ☐ New ☐ Renewal ☐ Transition Project Type: ☐ PH-PSH ☐ PH-RRH ☐ TH ☐ SSO – Standalone ☐ SSO – Street Outreach ☐ SSO – Coordinated Entry ☐ HMIS	

Threshold Requirements - All Projects		Yes	No
☐ Yes ☐ No Financial and Management Capacity Experience ☐ Yes ☐ No Agrees to submit project required certifications specified in this NOFO ☐ Yes ☐ No Population served meets program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO ☐ Yes ☐ No Agrees to participate in the local HMIS (Victim Service Providers must use a comparable database) ☐ Yes ☐ No Agrees to participate in the local Coordinated Entry Process including the selection of program participants consistent with the HCCSC's coordinated entry process. ☐ Yes ☐ No Certified: 1) The project applicant will not engage in racial preferences or other forms of illegal discrimination and 2) The project applicant will not operate drug injection sites, knowing	Responses and assurances provided in the Local Application, reports (APR) submitted and accepted by HUD in the Sage HMIS Reporting Repository, HUD published CoC Spending Report, and monitoring will determine if the applicant has met threshold requirements		

FY2025 HCCSC Scoring Sheet – HCCSC Board Approved 11.20.2025

****Subject to change based on the release of the HUD e-snaps applications***

distribute drug paraphernalia on or off property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of “harm reduction”. ☐ Yes ☐ No <i>(Existing and Transition Projects Only)</i> Satisfactory capacity, drawdowns, and performance for existing grants under the CoC program.			
		Point Value	Points Awarded
<u>Populations to be served - All Projects</u> Targeted Sub Populations include Elderly-over 62; Physical Disability/Impairment-not including substance use disorders; developmental disability; Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking; Unsheltered and those who do not traditionally engage with supportive services.	Scores will be based on answers provided in the Local Application	1	
<u>Leveraging housing and healthcare resources for NEW Transitional Housing (TH) projects (excluding transition grants)</u> Demonstrate that the project utilizes housing subsidies for at least 25 percent of the units included in the project by attaching letters of commitment, contracts, or other formal documents that demonstrate the commitment	Scores will be based on answers and attachment provided in Local Application	2	

**Permanent Supportive Housing (PH-PSH), Rapid Rehousing (PH-RRH), Transitional Housing (TH),
Supportive Services Only (SSO) Standalone
Performance Outcomes-All Projects**

Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
Increasing earned income (i.e., employment income) Score will be based on % of project's adult participants who had succeeded in gaining or increasing earned income: Client Cash Income Change-Income Source from project by Start and Exit as reflected during the grant year covered by the project's most recent APR.	Source of data: Most recent APR (Q19a2) submitted and accepted by HUD in the Sage HMIS Reporting Repository, data from a comparable database attached to Local Project Application	1 point will be awarded if the project has tracked data through HMIS or comparable database Additional 1 point will be awarded if the performance outcome meets the metric of 25% as defined in the NOFO	
Minimizing returns to homelessness Score will be based on the % of those who exited the project during FFY 2023 and returned to homelessness within 13-24 months	Source of Data: HMIS or DV comparable database, data from a comparable database attached to Local Project Application	1 point will be awarded if the project has tracked data through HMIS or comparable database Additional 1 point will be awarded if the performance outcome meets the metric of less than 8% as defined by HUD in the NOFO	
Successful Permanent Housing Placement	Source of data: Most recent APR (Q23C) submitted and	1 point will be awarded if the project	

HCCSC FY2025 Scoring Sheet – HCCSC Board Approved 11.20.2025

****Subject to change based on the release of the HUD e-snaps applications***

Score will be based on % of project participants who exited to or remained in PH during grant year covered by the projects most recent APR.	accepted by HUD in the Sage HMIS Reporting Repository, data from a comparable database attached to Local Project Application	has tracked data through HMIS or comparable database Additional 1 point will be awarded if the performance outcome meets the metric of at least 50% as defined in by HUD in the NOFO	
Satisfaction of expectations for full occupancy and success in serving numbers projected Score will be based on average daily bed utilization as reflected in the project's most recent APR	Source of data: Most recent APR submitted and accepted by HUD in the Sage HMIS Reporting Repository, data from a comparable database attached to Local Project Application	1 point will be awarded if the project has tracked data through HMIS or comparable database Additional 1 point will be awarded if the performance outcome meets the metric of at least 90% as defined in by HUD in SAGE HMIS Repository	
		Subtotal Points:	
		Score will be combined with total points from scoring of applicable project type (TH, PSH, RRH, SSO Standalone)	

Transitional Housing (TH) - All Projects

Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
Demonstrate that the project will provide and/or partner with other organizations to provide eligible supportive services that are necessary to assist program participants to obtain and maintain housing.	Scores will be based on answers provided in the Local Application	2	
The applicant has prior experience operating transitional housing or other projects that have successfully helped homeless individuals and families exit homelessness within 24 months.	Scores will be based on answers provided in the Local Application	1	
The applicant has previously operated or currently operates transitional housing or another homelessness project, or has a plan in place to ensure, that at least 50 percent of participants exit to permanent housing within 24 months and at least 50 percent of participants exit with employment income as reflected in HMIS or another data system used by the applicant.	Scores will be based on answers provided in the Local Application	1	
The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP.	Scores will be based on answers provided in the Local Application	1	
Demonstrate that the proposed project will require program participants to take part in supportive services (e.g. case management, employment training, substance use treatment, etc) in line with 24 CFR 578.75(h) by attaching a supportive service agreement (contract, occupancy agreement, lease, or equivalent).	Scores will be based on answers provided in the Local Application	5	
Demonstrate that the proposed project will provide 40 hours per week of customized services for each participant (e.g. case management, employment training, substance use treatment, etc.). The 40 hours per week may be reduced proportionately for participants	Scores will be based on answers provided in the Local Application	2	

who are employed. The 40 hours per week does not apply to participants over age 62 or who have a physical disability/impairment or a developmental disability (24 CFR 582.5) not including substance use disorder.			
Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	1	
	Subtotal Points		
	Points awarded in performance outcomes and populations served		
	Total Points		
	Total Score (Points earned as a percentage of total points available to the project)		

Permanent Housing: Permanent Supportive Housing (PH-PSH) - All Projects

Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
The type of supportive services and assistance that will be offered to program participants will ensure that the participant is able to successfully obtain and retain permanent housing and in a manner that fits their needs (e.g. transportation, safety planning, enhanced case management).	Scores will be based on answers provided in the Local Application	1	
The project will be designed to serve elderly individuals and/or individuals with a physical disability/impairment or a developmental disability (24 CFR 582.5) not including substance use disorder. The units will prioritize these populations.	Scores will be based on answers provided in the Local Application	1	
Demonstrate that the proposed project will require program participants to take part in supportive services (e.g. case management, life skills, substance use treatment) in line with 24 CFR 578.75(h) by attaching a supportive service agreement (contract, occupancy agreement, lease, or equivalent).	Scores will be based on answers provided in the Local Application	5	
Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	1	
The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP.	Scores will be based on answers provided in the Local Application	1	
	Subtotal Points		
	Points awarded in performance outcomes and populations served		
	Total Points		
	Total Score (Points earned as a percentage of total points available to the project)		

Supportive Services Only (SSO) Standalone- All Projects			
Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
The Supportive Services project is necessary to assist people in exiting homelessness and increasing self-sufficiency and the Recipient will conduct an annual assessment of the service needs of the program participants.	Scores will be based on answers provided in the Local Application	1	
The proposed project has a strategy for providing supportive services to eligible program participants including those with histories of unsheltered homelessness and those who do not traditionally engage with supportive services	Scores will be based on answers provided in the Local Application	2	
The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP.	Scores will be based on answers provided in the Local Application	1	
Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	1	
	Subtotal Points		
	Points awarded in performance outcomes and populations served		
	Total Points		
	Total Score (Points earned as a percentage of total points available to the project)		

Supportive Services Only (SSO) Street Outreach-All Projects			
Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP.	Scores will be based on answers provided in the Local Application	1	
The proposed project has a strategy for providing supportive services to eligible program participants including those with histories of unsheltered homelessness and those who do not traditionally engage with supportive services.	Scores will be based on answers provided in the Local Application	2	
Demonstrate that the applicant has a history of partnering with first responders and law enforcement to engage people living in places not meant for human habitation to access emergency shelter, treatment programs, reunification with family, transitional housing or independent living. The applicant must cooperate, assist, and not interfere or impede with law enforcement to enforce local laws such as public camping and public drug use laws.	Scores will be based on answers provided in the Local Application	1	
The applicant has experience providing outreach services consistent with the activity description at 24 CFR 578.53(e)(13) and has demonstrated effectiveness at helping people successfully exit from places not meant for human habitation to emergency shelter, treatment programs, transitional housing or permanent housing programs.	Scores will be based on answers provided in the Local Application	1	
Scores will be determined by comparing each project's expenses per participant charged to the CoC grant with the average of other projects that fall within a 10% range above or below that average.	Scores will be based on answers provided in the Local Application	1	
	Total Points: (combined with points earned in population served)		
	Total Score (Points earned as a percentage of total points available to the project):		

SSO-Coordinated Entry (SSO-CE)-All Projects			
Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
The Coordinated Entry system is easily available and reachable for all persons within the CoC's geographic area who are seeking homelessness assistance. The system must also be accessible for persons with disabilities within the CoC's geographic area.	Scores will be based on answers provided in the Local Application	1	
There is a strategy for advertising that is designed specifically to reach households experiencing homelessness with the highest needs.	Scores will be based on answers provided in the Local Application	1	
There is a standardized assessment process.	Scores will be based on answers provided in the Local Application	1	
The project will ensure program participants are directed to appropriate housing and services that fit their needs.	Scores will be based on answers provided in the Local Application	1	
	Total Points: (combined with points earned in population served)		
	Total Score (Points earned as a percentage of total points available to the project):		

Homeless Management Information System (HMIS) - All Projects			
Criteria	Relevant Factors/Source of Evidence	Point Value	Points Awarded
HMIS funds will be expended in a way that furthers the CoC's HMIS implementation and ability to use HMIS as a proactive case management tool to promote treatment and recovery.	Scores will be based on answers provided in the Local Application	1	
HMIS collects all Universal Data Elements as set forth in the HMIS Data Standards.	Scores will be based on answers provided in the Local Application	1	
The ability of the HMIS to un-duplicate client records.	Scores will be based on answers provided in the Local Application	1	
The HMIS produces all HUD required reports and provides data as needed for HUD reporting (e.g., APR, quarterly reports, data for CAPER/ESG reporting) and other reports required by other federal partners.	Scores will be based on answers provided in the Local Application	1	
	Total Points: (combined with points earned in population served)
